

ФЕРНАНДО МОНТЕС-НЕГРЕТ

(Колумбия)

Биография

Г-н Фернандо Монтеc–Негрет работи като старши финансов консултант към МВФ и Световната банка от началото на 2013 г. Той участва с МВФ в редица задачи, включително като член на техническа мисия по чл.4 в Унгария, Програмата за оценка на финансовия сектор на Полша, преглед на препоръките за политиката на МВФ в Глобалния финансов отчет за стабилност към Независимата служба за оценка, и т.н. По време на работа си в Световната банка разработва два доклада за изпълнение и внедряване на кредити за техническа помощ за финансовия сектор в Хондурас и Кения, пише доклади за политиката за финансовите системи на България, Полша, Румъния и Хърватия, а също така участва в осигуряването на техническа помощ за Централната банка на Русия относно платежните системи.

През 2010-12 г. работи в МВФ като старши експерт в екипа на финансовия сектор (Отдел „Монетарни и капиталови пазари”, направление „Финансов надзор”) , отговарящ за държави в криза (Ирландия и Унгария), а също така води технически мисии в Перу, Мексико, Полша и Уругвай, атестира множество програми за финансова оценка, преглежда доклади по чл.4 на МВФ, и оценява програмите на МВФ в кризисни държави. Преди да се присъедини към МВФ, г-н Фернандо Монтеc-Негрет е Директор на Отдел „Развитие на частния и финансовия сектор” на Регион Европа и Централна Европа в Световната банка в рамките на шест години. Преди това е бил ръководител на сектор в рамките на четири години, отговарящ за финансовата политика, управлението при кризи и кредитирането в Регион Латинска Америка, включително работи по кризите в Мексико и Аржентина.

Преди присъединяването си към Световната банка г-н Фернандо Монтеc–Негрет е зам.-управител на Централната банка на Колумбия, съветник към Паричния съвет (най-високият държавен пост в правителството по онова време) и зам.-секретар на финансите.
